Dear Valued Customer,

Many of you may have heard that NY State Governor Cuomo issued an [executive order](#) that, effective Sunday March 22, 2020 at 8pm, mandates each employer to reduce the in-person workforce at all work locations by 100%. Additionally, The MA Governor has issued an emergency order that, effective Tuesday March 24, 2020 at 12pm, mandates each employer that does not provide "Covid-19 Essential Services" to close their physical workplaces and facilities.

Please be assured that Gehring Tricot Corp is recognized as an essential business in New York State and has received such designation from the state. Gehring Tricot Corp. dba Tweave LLC also falls under the list of essential services as provided by the Massachusetts's Governor's office. This is thanks to the vital work and products you, our customers, do and make.

During this time, each of Gehring's factory locations (Gehring Tricot Corp., Belmont Mills LLC, and Tweave LLC) will continue manufacturing those essential products. We urge all of our customers with "essential" products that require our companies' fabrics to please share their essential designation with us in order to ensure those products get produced. This is a situation we are, and continue to, monitor closely and we will re-visit our schedule on a weekly basis. Furthermore, we are in constant contact with our own supply chain to ensure we have the necessary raw materials to produce.

Gehring's sales office, located in Hauppauge, NY, has been closed for the time being. This situation will be re-evaluated on March 31, 2020 to continue to be in compliance with state and local ordinances and to manage the safety of our employees. To that point, please contact your sales representatives via email as much as able; our sales force has been moved to working remotely at this time.

We continue to keep a close eye on local and national trends pertaining to Covid-19 and update our company, our customers and all of our stakeholders on a regular basis. If you have any questions on our policies and how they may impact our customer services, please do not hesitate to reach out to [kaylam@gehringtextiles.com](mailto:kaylam@gehringtextiles.com).

All the best,

George Gehring Jr, CEO
