

November 1, 2017

We are pleased to announce that Gehring Textiles, Inc., the sales arm of Gehring Tricot Corp has relocated its physical sales office to:

100 Motor Parkway  
Suite 165  
Hauppauge, NY 11788

Our new location can be found in the central and historic part of Long Island. The new building offers a great deal of parking and is conveniently located near several restaurants and hotels. In addition, the new location will allow us access to an entirely new potential labor pool as we continue our search for motivated personnel to support the continued growth of our company.

Please note, our phone and fax numbers will remain the same, as indicated on our letterhead.

We are thrilled to share this news with you, our valued business partners.

We hope you will visit our new location soon. You will recognize the traditional Gehring name on the signage of the new office building.

Thank you for your time and attention to this matter.

Sincerely,

Katherine Gehring
